LAUGH OUT LOUD

The Irish have decided to import 35,000,000 tonnes of sand from the Middle East. They will be digging for their own oil.

Father: "Do you know what happens to liars after they die?". Johnny: "Yes, sir. They lie still."

Reilly is walking through a graveyard when he comes across a headstone with the inscription "Here lies a politician and an honest man." 'Faith now,' exclaims Reilly, 'I wonder how they got the two of them in one grave.'
