- Gisa hopes her exchange will allow her to meet lots of people, enjoy new experiences & cultures, make new friends and eventually explore the world.
- Differences Gisa has experienced:
 - School System - shorter hours, compulsory school uniform, more informal & friendly relationship between teachers & students.
 - Process to get driving licence.
 - Driving on the left side of the road.
 - Air conditioning.
 - Unfamiliar animals - Kangaroos, sealions, dolphins.
 - Tim Tams.
 - Gesa has a blended family. Mother is a teacher, step father is a banker, father works for emergency services. 4 brothers & younger sister.
 - She lives just 5 minutes from her school.
 - The Rotary club in Germany is more formal than ours.
