**Contenance Initiative Update:** Richard Tucker

- Gawler Council has installed bins in the Men's Public Toilets in Gawler and is monitoring and evaluating use
- Keeping the focus on this health issue is important. Lack of awareness that the continence bins exist and their lack of use may see them removed from our council area.
- It would be great if Club members could assist with disseminating the importance of this message to the community. This could be through letters to the editor or chatting to family and friends.
- Lyell McEwin Hospital and Modbury Hospital now have continence bins in their waiting area toilets.
- Hon. John Dawkins and Stephen Wade, SA Minister for Health have been advised in an effort to aid public communication
- Ideas for posters would be welcomed
